SPECIAL FILMING CONDITIONS
VENICE AREA

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

For purposes of these guidelines the Venice area is Santa Monica City limits to the north, Lincoln Boulevard to the East, Pacific Ocean to the west and Washington Boulevard to the South (including the Strand which is Pacific Avenue, Washington Boulevard, Via Marina, and the Pacific Ocean)

- **Affected residents and merchants must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** *Permit requests must be submitted at least three (3) days in advance.*

- **Filming on holidays and weekends is generally not permitted**, especially during the summer. Exemptions may be granted on a case-by-case basis. Factors such as size of company, exact location and scope of intended filming, time of year, and anticipated impact on local parking will be considered when reviewing requests for such exemptions.

- **No vehicles shall be driven or parked on Ocean Front Walk between the hours of 10:00 a.m. and 7:00 p.m**. unless approved by The Department of Recreation and Parks.

- **Speedway shall not be used for parking of vehicles or equipment and must remain open to emergency vehicles.**

- **All vehicles and equipment (including private automobiles) associated with the production company shall be legally parked unless specific exemption is granted by the film permit.** No vehicles or equipment shall be permitted to park on Ocean Front Walk or the Venice Recreation Area property unless approved by The Department of Recreation and Parks. The use of private parking lots is strongly encouraged. Publicly owned parking lots in the area are managed by PCI parking and must be added to the filming permit and cleared with the appropriate agency.

- **Use of Los Angeles County beach parking lots have the following restrictions:**

    - **The Washington Boulevard lot is restricted to parking only between 7:00 a.m. and 10 p.m**. No community survey will be allowed for additional hours.
    - **Rose Avenue and Venice Boulevard lots require a community survey from affected residential buildings for any activity (parking or filming) prior to 6:00 a.m or after 10:00 p.m.**

- **Traffic control on all area streets shall be limited to a maximum of two (2) minutes.**

- **It is the responsibility of the production company to deploy sufficient police officers to ensure that traffic flow in the area is not unreasonably hindered.**

- **Additional Special Filming Conditions apply to filming on Washington Boulevard between Pacific Avenue and the Venice Pier, Abbot Kinney Boulevard, and Venice Beach.**

FilmL.A. Inc. PERMIT

SPECIAL FILMING CONDITIONS
RESIDENTIAL/COMMERCIAL AREAS OF
DOWNTOWN METROPOLITAN LOS ANGELES

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The Downtown Los Angeles Central Business District is occupied by commercial/industrial businesses, as well as residential properties. There are also many popular hotels in the downtown area frequented by visitors taking advantage of our city's cultural, historical and recreational venues.

In order to better balance the concerns of business/commerce and provide for the residential aspects of this area of Los Angeles, FilmL.A. has developed the following Special Filming Conditions. Your cooperation in adhering to the Conditions will ensure the industry's continued access to these vitally important filming sites.

NOTE: THE FOLLOWING SPECIAL FILMING CONDITIONS DO NOT APPLY TO THOSE AREAS ZONED AS "LIGHT MANUFACTURING/PARKING" OR "HEAVY MANUFACTURING".

- **All filming activities (including parking of production equipment, cast/crew parking, catering, and preparation/strike) within 200 feet of any residential building (including hotels) are not permitted between the hours of 10 p.m. and 7 a.m. unless first approved by FilmL.A.** through the approved Filming Survey procedure and indicated on the permit.

- **Low level helicopter activity within ½ of a mile of residential buildings and taking place between the hours of 10:00 p.m. and 7:00 a.m. will not be allowed.**

- **All low-flying helicopter work in the vicinity of buildings, especially residential structures, requires the Federal Aviation Administration (FAA) reviewed and accepted plan of activities also to be filed with FilmL.A.**

- **Notification of the representatives of residents, merchants and businesses within 500 feet of all filming activities should be done 48 hours in advance of filming or substantial prep work, time permitting.** Additional notification beyond a distance of 500 feet may be required for permits requesting extraordinary filming activities, to be determined by FilmL.A.

- **Due to the congestion from normal commuter traffic, Intermittent Traffic Control (ITC) is generally not permitted on weekdays between the hours of 7:00 a.m. - 9:00 a.m. and 3:00 p.m. - 7:00 p.m.**

- **Production companies are required to completely remove all trash, food, cardboard boxes, etc.** from the general vicinity at the end of each filming day. Food should **NOT** be given directly to the homeless persons in the area; if a production company wishes to donate food, it

FilmL.A. Inc. NOT A PERMIT

should be delivered to missions or groups in the area which are designated and sanctioned to distribute food and other supplies to the homeless. Production companies will be held responsible for the actions of catering companies contracted to provide food for cast and crew.

- **All of the Special Conditions referenced herein apply to filming in or near the 2nd and 3rd Street tunnels.** All filming activities within the tunnels between the hours of 10:00 p.m. and 7:00 a.m. must be contained to areas at least 100 feet from tunnel openings, unless signature approval is obtained from affected residential buildings near the tunnel entrances, and indicated on the permit. The activities may not be audible beyond tunnel openings, and lighting may not illuminate or affect any nearby buildings.

In addition to the conditions referenced above, production companies must adhere to the following conditions when filming on Lower Grand Avenue between General Thaddeus Kosciusko (GTK) Way and 4th Street:

- **The walls of Lower Grand Avenue are private property** and may not be dressed, painted, or used in any way unless permission is granted by the representative of the affected property. The following are the names and phone numbers of the most affected building representatives:
